I N T E R I O R S

NANNA's interiors reflect the timeless elegance of a classic sailing yacht, combining traditional craftsmanship with the comfort and refinement expected of a contemporary charter experience. Warm woods, natural materials and carefully selected details create an intimate and welcoming atmosphere throughout the yacht. The interiors are designed to feel elegant yet relaxed, offering guests a comfortable retreat after a day spent exploring the Mediterranean.

From quiet mornings at sea to relaxed evenings on board, every space has been conceived to encourage guests to slow down, unwind and enjoy life at sea.

MAIN SALON

NANNA features two twin cabins, each with a private en-suite bathroom. The lower bed in each cabin converts into a double, allowing the cabins to accommodate either two or three guests.
